

AOP Health is the European pioneer for integrated therapies for rare diseases and in critical care. To enhance our team in Vienna we are looking for a:

Controller (f/m/d)

1190 Vienna | Full-time employee | Start: as of now |

We are seeking a motivated and detail-oriented Controller to join our Controlling team with a focus on Headquarters and Research & Development (R&D). This role plays a critical part in ensuring financial transparency, supporting strategic decision-making, and enabling efficient resource allocation across the AOP Health Group.

What Your Day To Day Will Look Like

- Ensure accurate and timely monthly and quarterly financial closings and reporting for AOP Health Group.
- Conduct variance analyses and provide assessments of financial results and trends.
- Prepare ad-hoc analyses, reports, and presentations with a strong focus on HQ cost control and R&D Controlling to support strategic and operational decisions.
- Review and challenge forecasts developed by business functions, ensuring transparency and accuracy.
- Support the creation of budgets, forecasts, and other financial reports in close collaboration with relevant stakeholders.
- Act as a business partner for HQ and R&D functions, providing financial expertise and identifying improvement opportunities.
- Contribute to the continuous development of financial tools, systems, and controlling methodologies.
- Help shape controlling processes within a dynamic, international company and collaborate in a forward-thinking team environment.

Your Qualifications and Experience

Main Benefits
