

AOP Health is the European pioneer for integrated therapies for rare diseases and in critical care. To enhance our team in Vienna we are looking for a:

Global Product Manager, Intensive Care (f/m/d)

1190 Vienna | Full-time employee | Start: as of now |

In this role you will be responsible for all brand marketing activities for designated Intensive Care products and to support AOP Health's first US product launch. You will work closely with cross-functional and cross-regional stakeholders to ensure seamless execution of the global brand plan.

This position can be based in any country in Europe where an AOP Health affiliate is available, with Home-Office option combined with regular visits to the HQ in Vienna, Austria.

What Your Day To Day Will Look Like

- Prepare strategic & tactical product/brand plans and lead the product positioning and messaging process
- Close collaboration with country organisations on brand strategy implementation
- Cross-functional coordination within brand team(s)
- Build and manage professional relationships with international Key Opinion Leaders
- Organize congresses and promotional/communication events and provide training to commercial teams
- Conduct product trainings and brand related update presentations.
- Plan, control and execute product-related budget
- Create product/brand promotional material (print and digital)
- Responsible for market analysis and competitive intelligence
- Analyse, understand and act on brand performance reports
- Maintain a high level of country-specific knowledge for the therapeutic area and brands.
- Ensure compliance with all corporate SOPs/guidelines, industry, legal and
