

AOP Health is the European pioneer for integrated therapies for rare diseases and in critical care. To enhance our team in Eindhoven we are looking for a:

Medical Science Liaison Benelux

5654 AZ Eindhoven | Full-time employee | Start: 16.02.2026 |

We are looking for a scientifically driven Medical Science Liaison to support our Benelux affiliate in building strong medical partnerships and advancing scientific exchange within Intensive Care.

What Your Day To Day Will Look Like

- Build and maintain long-term scientific relationships with intensivists, KOLs, and other medical stakeholders in the Benelux.
- Provide accurate, balanced, and up-to-date medical information on AOP Health products and therapeutic areas.
- Translate clinical and scientific data into practical insights for healthcare professionals.
- Support medical case discussions and provide input in processes related to reimbursement where appropriate.
- Contribute to medical strategy, product launches, and lifecycle activities from a medical perspective.
- Represent AOP Health at national and international congresses and scientific meetings.
- Collaborate closely with Key Account Managers, Marketing, and Global Medical to ensure aligned field activities.
- Ensure full compliance with applicable regulations, industry codes, and internal SOPs.

Your Qualifications And Experience

- Degree in a health-related field (e.g., Pharmacy, Medicine, Biomedical Sciences or similar).
- Experience interacting with physicians, hospitals, and medical stakeholders.
- Solid understanding of the regulatory and compliance framework in the Benelux.
- Strong ability to communicate complex scientific data clearly and effectively.
- Self-driven, entrepreneurial mindset and comfortable in a field-based role.
- Excellent command of Dutch, French, and English.

Our offer

- An open corporate culture with the opportunity to contribute your own ideas
- Structured onboarding and training opportunities to support your professional growth
- Being part of a successful team who drives the business forward
- Competitive bonus scheme, additional benefits and employee events
- Opportunities for personal and professional development within an international environment

If you would like to work as a team player in an international environment and can identify with our values "Agile, Ambitious, Aligned, Accountable and Appreciative", then: Take this CHANCE and
