

AOP Health is the European pioneer for integrated therapies for rare diseases and in critical care. To enhance our team in Vienna we are looking for a:

Senior HR Business Partner (f/m/d)

1190 Vienna | Full-time employee | Start: as of now |

This role will partner with AOP Health leaders largely in our Commercial Organisation to support strategic and operational HR business objectives and acts as an internal advisor, providing advice and coaching across all elements of the employee lifecycle.

What Your Day To Day Will Look Like

- You actively partner with stakeholders to understand the current and future needs of the business and ensure the implementation of our global HR strategy
- You assist leaders with strategic planning and forecasting needs regarding people and organizational culture
- You collaborate with leaders to co-design their areas in terms of organizational development (e.g. planning of required positions and development of talents)
- Based on your business insights, you make recommendations about ways to enhance our workplace and the culture of AOP Health
- You are the first point of contact for managers and employees in your area: You provide guidance and support when it comes to implementing our HR policies and procedures
- You equip business leaders with appropriate tools and knowledge to effectively manage and develop their people and provide proactive guidance and counsel on people-related issues
- You oversee our employee life cycle, ensuring that our global standards are fulfilled (e.g. performance management, reward and recognition, talent management, employee development)
- You monitor the employee engagement in your area and develop as well as implement measures with the team to increase sustainably the
