

AOP Health is the European pioneer for integrated therapies for rare diseases and in critical care. To enhance our team in Italy we are looking for a:

Product Manager Italy (Limited for 1 year) (f/m/d)

56122 Pisa | Full-time employee | Start: 01.12.2025 |

As a Product Manager, you will be responsible for coordinating marketing campaigns and supporting congresses and field team training. You'll work cross-functionally with Sales, Medical, and Market Access teams, while maintaining close contact with HQ to ensure strategic alignment. This is a 1-year limited role, offering a dynamic opportunity to contribute to key initiatives in a fast-paced, collaborative environment.

What Your Day To Day Will Look Like

- Track competitor actions and report insights to support tactical decisions.
- Support budget and marketing planning and monitor spending across development, marketing, and promotion.
- Coordinate promotional activities: organize and implement marketing campaigns, create materials, coordinate all the activities related to events participation, and arrange training for field teams in collaboration with the medical department.
- Review sales performance data regularly to assess impact and adjust activities as needed.
- Collaborate closely with Sales, Medical, and Market Access teams to align execution.
- Maintain regular contact with HQ to ensure alignment and share best practices.
- Management of Country meeting: ensure the preparation of presentations and alignment with the cross - functional team on the key messages to be conveyed to the sales force.
