Shape the future with AOP Health

At AOP Health, we focus on developing and delivering innovative therapies for rare and complex diseases. Our success is built on the dedication and expertise of our people — and we are always interested in meeting talented, purpose-driven professionals who own their impact and shape the future by advancing the company's growth, innovation, and patient-focused vision.

If you haven't found a suitable position among our current openings, we still encourage you to apply proactively.

Your Profile

You bring expertise, curiosity, and a passion for innovation in one or more of the following areas:

- Life Sciences, Pharmaceuticals, or Biotechnology
- Regulatory, Clinical, or Medical Affairs
- Supply chain, Technical Development, or Quality Management
- Commercial, Business development, or Corporate roles

Our offer

- A dynamic, international working environment with a strong sense of purpose
- Flat hierarchies and short decision-making paths
- Opportunities for professional growth and cross-functional collaboration
- A modern hybrid working model

If you would like to work as a team player in an international environment and can identify with our values "Agile, Ambitious, Aligned, Accountable and Appreciative", then: Take this CHANCE and
